Metabase

An Integrated Sample Management, Data Collection, Analysis, and Reporting System for ADME Metabolism and Pharmacokinetics Studies

Included Software and Documentation

♦ **Metabase System Software**

Metabase is supplied as a Microsoft Excel ™ template. The program is provided as a completely operational turnkey system and comes with simulated data files based on an actual laboratory setup. The turnkey system is configured for collecting weight data using a LimsLink software interface to an auto-balance and LSC data output files obtained from a Wallac Liquid Scintillation Counter. The Test Procedures document describes a complete simulation of the operation of Metabase using these test files. You will need to modify the code for the balance and LSC interface components to match the specific instrumentation and requirements of your laboratory.

♦ **Program Code**
Metabase is based on Visual Basic for Applications program code contained within Excel. A license for non-resalable modification and use of the program code for your own custom installation and requirements is included. The code is thoroughly documented and annotated, and is written in a modular fashion to allow for easy custom modification.

♦ **Requirements Analysis Document** - A complete listing of what the system is intended to do.

♦ **Design Specifications Document** – Detailed description of all features, functions, operation, and calculations used.

♦ **Test Procedures** - A step-by-step guide to using Metabase with simulated test files for training, validation, and verification.

♦ **Metabase Security, Quality Assurance, GLP, and GALP Features** - A white paper on Metabase security.

♦ **Simulated Test Data Files** - Simulated balance and LSC data files for use with the test procedures.

♦ **Packard Oxidizer Efficiency Calculator** - Excel template that calculates oxidizer efficiencies and corrects LSC results.

	Price	Total
◆ **Metabase Software Package — Single Site License**	**$2,495.00**	
◆ **Metabase Software Package — 45 Day Evaluation CD & Manual**	**$199.00**	

• Make payments to: **Summit Research Services**   • Payment required prior to international shipments.

• International orders: Send check in US$ drawn on US Bank, Cashier's Check, or Intl. Money Order in US$.

• Wire transfers – call or write to obtain bank account numbers. Add $10 fee and transfer in US$.

• Credit Card Payments: Select card type: __ VISA __ MasterCard __ American Express __Discover

Card Number: __ __ __ __ __ __ __ __ __ __ __ __ __ __ __ __   Expiration Date: __ __ – __ __
